

Insurance Brokers

ASK YOURSELF A FEW QUESTIONS:

- Do you have the last 5 years of your OSHA 300 Logs?
- Do you have a written Injury & Illness Prevention Program?
- Do you have written safety programs relevant to your exposures?
- Do you conduct regular safety meetings?

If you answered NO to any of the above questions, then you are out of compliance with CalOSHA regulations and subject to potentially substantial fines.

MyWave is your personalized website that allows you to effortlessly click, connect and communicate with SGB. It is designed to offer you time-saving tools and resources that build convenience into managing your everyday work tasks. It is easily accessible, hardworking, and just one of the many value-added services available to you when you partner with us.
